Mosquito Control:

In an effort to control the mosquito population, one of the methods that we use here at Cocobay Resort is fogging with a non-toxic chemical.

The **fogging** is done **Mondays, Wednesdays & Fridays** between **5:00pm – 6:00pm**.

It is very important that we manage the mosquito population, and we appreciate your understanding in this. Please do not hesitate to contact us if there is anything, we can do to make your stay more enjoyable.
